REGULATION

- All Italian players registered with FSI 2026 are admitted, it is possible to register at the game site through the Accademia Di Scacchi ASD. Foreign players must have the FIN (FIDE Identity Number).
- All players and visitors are prohibited from having any electronic and/or communication devices in the playing area. Smoking is prohibited.
- Players not present at the time allowed for accreditation will enter the second round.
- Delay allowed for the match 60 minutes. After the expiration the match is forfeited.
- 5 rounds of play, Swiss pairing system Dutch variant, technical tiebreakers in the order: Buchholz cut1, Buchholz tot, A.R.O. Time limit 90 minutes + 30 seconds of recovery per move starting from the first. Obligatory notation of moves.
- Half Point forfeit: possibility to grant (one time) half a point forfeit in one of the first two rounds. The request must be made by email before the start of the tournament.
- Wild Card. The organization reserves 3 entries in tournament A for players with Elo close to the admission threshold and/or particularly deserving U16 players who request it via email (motivating and attaching results, titles achieved) before the registration deadline.
- The decisions of the Referee are final.
- For anything not covered in this regulation, the FSI and FIDE rules in force on the date of the event apply. Registration for the tournament implies acceptance of them and in particular of the anti-Covid19 prevention and "FIDE anti-cheating" control rules, consent to the publication of your data, images and results and any changes that may be necessary for the success of the event.
- Players with disabilities, with particular gaming or logistical needs, are invited to notify us of their presence in advance via email.
- The tournament will be held according to the FSI Covid19 containment protocol in force at the time of the event.
